

## **TOUCHPOINT NETWORKS TO SPEAK AT INDUSTRY CONFERENCE OF LEADING BUSINESS TECHNOLOGY PROVIDERS**

EUGENE, OR – September 30, 2013 - TouchPoint Networks, an industry leader in unified communications, announced today that the company is speaking at STAR CON, Technology Assurance Group's industry conference of leading technology providers. Technology Assurance Group (TAG) is an international association of independently owned unified communications companies collectively representing nearly \$350 million in products and services. TAG's STAR CON will capitalize on the amazing exchange of information, ideas and experiences between attendees for the betterment of the customers they serve. The event will be held in San Diego at the US Grant Hotel and is scheduled to take place on October 20th through October 23rd.

The objective of STAR CON is to bring the brightest minds in the industry together to discuss current trends, best business practices and understand where the industry is headed as a whole. TouchPoint Networks has been invited to attend this event because of their dominant standing in the marketplace and their desire to constantly remain ahead of the curve. The event will be packed with education from subject-

matter experts and high-level discussion from the most successful companies in the industry.

"It's always a pleasure to attend conferences of this caliber," stated Gary Gonzalez, President of TouchPoint Networks. "We thoroughly enjoy connecting with other successful companies and learning best practices that increase our offering to our customers. By maintaining a proactive approach in adopting new methodologies and spending the time required to see what's emerging on the technological landscape, we are better equipped to increase our customers' profitability and give them a competitive advantage. As a leader, we consider it our duty to know what's coming and to help our customers adopt new technology. This proactive approach has served us and our customers well over the years and it is one of the main reasons for our success."

"TouchPoint Networks is a premier Member of TAG and an elite company in our industry," said Brian Suerth, Partner and EVP of Technology Assurance Group (TAG). "Everyone in attendance will learn from their customer-centric approach and will benefit from their ideas as a model for success."

### **ABOUT TOUCHPOINT NETWORKS**

Gary Gonzalez and his business partner's Chuck Whiteley and Tamara Gonzalez, are owners of TouchPoint Networks, a member of the Technology Assurance Group (TAG). TouchPoint has built a team of professional voice and data specialists dedicated to the highest levels of customer support. TouchPoint's pattern of steady growth reflects their commitment to keeping pace with the constantly evolving telecommunications technology arena, and the dramatic expansion of the Pacific Northwest's business market. With offices located along the I-5 Corridor in Portland, Eugene, and Medford, TouchPoint Networks is uniquely positioned to respond quickly and effectively to a wide range of customer equipment and service requirements.
