

Think **BIG**. Think **Allworx**.

With the release of its new 48x Phone System, Allworx is going big! Featuring support for up to 250 employees per site, the 48x is the ideal solution for companies in the mid-market enterprise space and small businesses preparing for future growth. The 48x is enabled by the new System 7.2 Software Upgrade, which also boasts an excess of new user features.

48x Phone System

- ▶ Designed for companies of up to 250 employees per site
- ▶ Two T1/PRI interfaces, each capable of supporting any mix of voice and data connectivity
- ▶ Four conference bridges with up to 30 users per conference and a total of up to 60 users in all conferences simultaneously
- ▶ Three FXO ports and five FXS ports
- ▶ Internal flash drive creates increased reliability and long-term stability, and stores over 100 hours of voicemail
- ▶ Full support for every Allworx IP phone model
- ▶ Energy efficient design for maximum energy cost savings
- ▶ Rack mountable

- ▶ For more information, call us at **1-866-ALLWORX**, option 1, option 1, email **sales@allworx.com**, or visit us online at **www.allworx.com**.
